PUBLIC NOTICE

On July 19, 1991, John M. Glanville, filed an application with the Federal Communications Commission in Washington, D.C. seeking a permit to construct a new FM radio station at Burlington, Iowa. The proposed station would operate on 103.1 MHz, Channel 276C3. It would have an effective radiated power of 25 kilowatts. The proposed station would have an antenna 65 meters above ground, located on a tower 10.7 km west of the Route 34 bridge over the Mississippi River, 120 miles North of Route 34, in Des Moines County, Iowa. The studio will be located at a site to be determined in Burlington.

A copy of the application and related materials are on file for public inspection during normal business hours at the following address: 408 N. Main Street, Burlington, Iowa.

DECLARATION

I, John T. Pritchard, hereby declare under penalty of perjury that neither I nor anyone on my behalf has paid or promised to pay to John Giannettino any consideration to induce the dismissal of his application, other than as set forth in the Settlement Agreement between him and myself executed January 9, 1993.

I further affirm that my application was not filed for the purpose of reaching or carrying out such Settlement Agreement.

I believe that the Settlement Agreement will serve the public interest by eliminating the need for any hearing proceedings on these applications, and by facilitating the early establishment of a new FM service to Burlington and the surrounding area.

John T. Pritchard
